VOL. 56 — No. 30

## Observations... From Around Town

(BY JAY WHOZIT)

The Bay-Waveland Garden Club had as their guest at their meeting last week, Mr. Clarke L. Shumaker, Traveling Passenger Agent for the L. & N. R. Co. who gave them information relative to the discontinuance of some of the commuters' rates. He said the L. & N. was not cancelling all commuters' rate books, but only the 3, 4 and 6-month and year books. . . so far, the Interstate Commerce Commission has taken no definite action on the matter. . . Bay Motors, Inc., local Ford Dealers, formally opened their new place of business in grand style on Tuesday of this week, with many messages of congratulations and floral tributes from well-wishers, their building is one of beauty, as well as of substantial construction, and one of which the community may well be proud. . . Bay St. Louis' Little Theater is in the news again this Thursday, Friday and Saturday, presenting the play, "Outward Bound", their third of the 1947 season, and indications are that they will play to a packed house every night. . . a mass meeting has been called by the Hancock County Law Enforcement Association for the night of July 29th, at the Courthouse, and invitations have been issued to all candidates for offices of law enforcement. . . we certainly do not think it quite apropos for Francis W. (Goat) Lee, a candidate who desires to again represent Hancock County in the State Legislature, which is our law-making body, to speak before an audience in the City of Bay St. Louis and make a declaration, saying it had been charged that he became drunk after he came to Bay St. Louis, but that this was a lie, because he was drunk before and when he came to Bay St. Louis. . . we had been given to understand that the fireworks would explode when the Hancock County Democratic Executive Committee met this week, but alas, how disappointing it was—not even a "shu-flang" went off, wonder what happened. . . the Brothers of the Sacred Heart went into retreat on July 16th for twenty-one days, after which the various appointments for the coming year will be made. . . a special meeting of the men of the Parish of the Church of Our Lady of the Gulf was called this week to consider ways and means of raising an additional \$25,000, necessary to complete the work now being done on the church. . . also plans for the next Fair on August 2-3 are rapidly going forward. . . up in Washington County, Mississippi, this week the citizens formed a "better government" committee, which demanded "a decent" enforcement of all laws, and drafted a four-point program, the following one of which we think is worthy of reproduction here. It reads, "That no law enforcement officer, prosecuting attorney or judge shall, directly or indirectly, permit himself to be bribed, either with money or promise or hope of political support, or shall share, or permit any member of his family or any associate, to share in any manner in the proceeds of any illegal business." This point is well taken and should apply not only to one but all counties in our state. . . we mention again to our city officials, that with the unusually dry weather of the past several weeks, it must be terrible for those folks who are unfortunate enough to live on dusty, unpaved streets, when a little oil or treatment of some kind could so easily remedy this situation; and make everyone happy and contented.

### Edward F. Hubbs Dies At His Waveland Home

Edward F. Hubbs, 81 years old, died suddenly at his Waveland home in Sears Avenue on Tuesday, July 22.

Mr. Leon Ladner of the Bayou LaCrosse community had gone to the home of Mr. Hubbs on Tuesday afternoon about 1 o'clock and found Mr. Hubbs dead in his yard where he had been trimming some trees; it was said Mr. Hubbs had been a resident of Waveland for 14 years. His body was taken to New Orleans for burial in St. Joseph's cemetery No. 2 on Tuesday.

### Louis Henry Coignard Dies Suddenly

Louis Henry Coignard died suddenly at his Waveland home in St. Joseph Street on Tuesday, July 22 at 5 p. m., following a heart attack. Mr. Coignard was a native of New Orleans and had lived for a few years in Waveland.

He leaves his wife the former Miss Anna G. Ladner, two sons Edmond and Raymond Hubbs of New Orleans.

### Attorney General Rules On Question Of Aid To Blind Or Illiterate Voter

In a recent opinion in answer to many questions that had been propounded to his office relative to "Watchers" at the polls on election day, the Attorney General's Office issued a form letter to various officials on this subject and much publicity was had on the matter.

Paragraph six of this form letter was as follows:

6. Can a blind person or one that cannot read request assistance in filling out their ballots from one of the "Watchers" instead of one of the election officials, provided the voter with these handicaps does not have confidence in the election officials?

Res. Section 3273, Code of 1942, provides that a blind or disabled voter shall have aid—that he shall have the assistance of one of the managers or other person of his own selection.

The question in the above paragraph had not been answered in its entirety, and the answer only pertained to a blind person. Section 3273 of the Code of 1942 is the statute that controls aid that may be rendered blind or disabled persons and section 3273 of the Code of 1942 provides the law under which aid may be rendered to an illiterate voter.

The Attorney General has since enlarged upon his previous opinion that clarifies the question as originally asked, and we are pleased to quote on this matter in full.

July 18, 1947

Mr. G. T. Taylor  
Baldwyn, Mississippi

Dear Sir:

This is in reply to your letter of July 16, 1947. Where a person is unable to mark his ballot by reason of blindness or other physical disability, he is entitled to have the assistance of one of the managers or of a person of his own selection in the marking thereof.

A voter who is unable to mark his ballot because of his inability to read or write may have the assistance of one of the managers in the marking thereof. In other words, an illiterate person cannot select any one other than one of the managers to assist him, but a person who is unable to mark his ballot by reason of blindness or other physical disability may be assisted either by one of the managers or some other person to be selected by him.

Yours very truly,  
GREGG L. RICE,  
Attorney General.

Assistant Attorney General.

### Gulf Coast Trade School Facilities Turned Over To Bay Public Schools

We are pleased to quote in full a letter addressed to the Sea Coast Echo, and which thoroughly explains the transfer of the Gulf Coast Trade School to the Bay St. Louis Public Schools to be operated for White veterans:

July 23, 1947.

Sea Coast Echo,  
Bay St. Louis, Mississippi

Gentlemen:

Please publish the following notice in your Friday, July 25th, edition of the Sea Coast Echo:

The facilities of the Gulf Coast Trade School have been turned over to the Bay St. Louis Public Schools to operate for White veterans of Hancock County and Surrounding Area. The facility has been approved for operations commencing August 1, 1947.

Under the Public School Plan Veterans will be required to take training a minimum of 5 hours a day, for five days a week. Classes for White veterans will start at 12:30 P. M. and end at 5:30 P. M. from Monday through Friday of each week.

All veterans holding Certificates of Entitlement for Training under the provisions of Public Law 346, 78th Congress, are requested to deliver or mail same to Manager, Gulf Coast Trade School, 326 Citizens St., Bay St. Louis, Miss., in order that same might be recorded before August 1, 1947.

Veterans interested in entering the school who do not have Certificates of Entitlement are requested to report directly to the school for registration, presenting Photostatic Copies of Discharge Certificates upon their arrival.

All Married Veterans are requested to Present Certified copies of Marriage License, and photostatic copies of birth certificates on dependent children.

Divorced veterans or Veterans who are presently married for a second time are requested to present a certified copy of Divorce Decree or Certified Copy of Record of Death of first wife.

Single veterans, claiming dependent Mother or Father, will be required to present proof of their birth, which may be received from the Bureau of Vital Statistics at the Capitol of the State in which they were born.

Very truly yours,  
WOODROW W. WEBER,  
Manager.

### JACK LOTT CANDIDATE FOR SUPERVISOR, BEAT 4

The Sea Coast Echo is authorized to announce the candidacy of Jack Lott, of Kilm, for the office of Supervisor from Beat Four of Hancock County. His statement follows:

I take this as a means of announcing my candidacy for Board of Supervisor, District No. 4, Hancock County.

The issues in this race are clearly drawn. The people of Beat Four are familiar with my position on matters of public interest.

It is my plan to divide road work among the citizens of the different communities. In this way the county payrolls will not be confined to a few in one locality. My primary consideration will be to help those who are in need of work.

I have a family and am personally interested in the future development of our county and the welfare of our citizens. I shall support and sponsor any move to bring business and industry to this county, which will furnish employment and replace the great payrolls of war industries.

I am ever mindful of the great responsibility placed on the Board of Supervisors in handling the financial matters of the county. I shall stand for a balanced budget and an annual reduction in the bonded indebtedness.

I feel that there is a great need for a modern hospital that will accommodate our people and eliminate the necessity of having to go out of the county and state in order to secure hospitalization. It will be a pleasure to help promote a project of this nature and my cooperation can always be expected.

I have a sincere desire to be a part of a progressive, efficient and honest business administration that will always bear in mind the public welfare and give the people the service they deserve from their officials.

Respectfully submitted,  
JACK LOTT.

### NATIONAL FARM SAFETY WEEK JULY 20-26

This is National Farm Safety Week. This week of July 20-26th was set aside this year to urge every farm family to adopt safe practices of living and working for 52 weeks a year. It is a means of striving to cut the tragic farm accident toll, to prevent thousands of needless deaths and hundreds of thousands of needless injuries.

Unless we are all more careful and work and play safe, 52 farm people will die as a result of accidents every day in 1947.

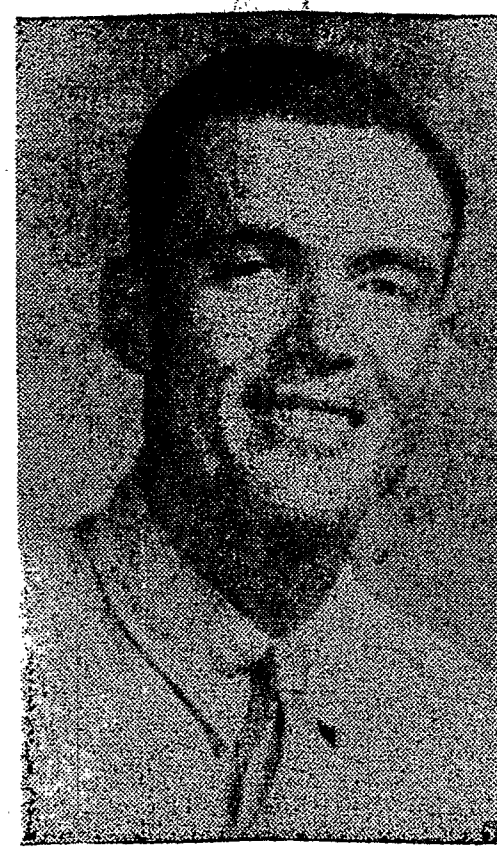

Records of the National Safety Council show that farm accidents become more frequent during the harvesting season. Harvesting machinery with its high speed shafting, belts and gears, together with its cutting mechanisms, increase the chance for serious accidents. Such machinery is often operated for long periods of time without rest, haste is emphasized without due precaution,

thus the accident record mounts rapidly.

The fundamental step in the safe operation of harvest machines is to put them in good condition before the harvest begins. Most harvest accidents can be prevented, if farmers will use care in their operation.

Respectfully yours,  
WELTON J. LADNER.

### WELTON J. LADNER CANDIDATE FOR SHERIFF AND TAX COLLECTOR

WELTON J. LADNER

The Sea Coast Echo is authorized to announce the candidacy of Welton J. Ladner for the office of Sheriff and Tax-Collector of Hancock County. His statement follows:

This is to announce my candidacy for Sheriff and Tax Collector of Hancock County, Mississippi.

Am happy to say that I was born and reared in Hancock County, was educated at Dedaux school and at Perkinson Junior College. Am thirty-two years of age and have a family of a wife and four children.

I served in the Army for ten months, four months of which I was overseas. Have been serving actively as constable of Beat Four since 1941, and as Deputy Sheriff of the County since 1944.

I belong to no political club or clan. Am entirely independent and will remain that way until the end of the term of my office of sheriff if I have the honor of being elected.

The only complaint that may be heard against me is indeed a recommendation, and that is that I have enforced the law, particularly on the highways. I believe a rigid enforcement of the highway laws is essential in saving life and preventing great bodily harm. Some folks mistake the highway for speedways.

I am fully qualified for the responsible position of Sheriff and Tax Collector, and whether day or night, I promise to be on the job in all emergencies and will perform my duties fearlessly and without favor.

It is my wish and sincere desire that our homes, our property and our democratic way of life be safeguarded, preserved and protected.

I solicit your vote and support, and if elected, I will perform those duties to the satisfaction of the good people of our county.

Respectfully yours,  
WELTON J. LADNER.

The fundamental step in the safe operation of harvest machines is to put them in good condition before the harvest begins. Most harvest accidents can be prevented, if farmers will use care in their operation.

Respectfully yours,  
WELTON J. LADNER.

### BAY MOTORS, INC. HAS OPEN HOUSE ON TUESDAY

Bay Motors Incorporated, local Ford Dealers, held their formal opening of their new home on Court Street, with an open house, on Tuesday, July 22nd.

Organized in 1941, the company had temporary quarters at the Argeneaux Super Service, and as soon as necessary material could be had the erection of their new building was begun, and was completed just prior to their opening.

The officers of the company are Robert L. Camors, President, Fred J. (Fritz) Peranich, Vice-President and General Manager, and W. J. Gex, Jr., Secretary and Treasurer.

The display of New Ford cars was probably the largest display of automobiles that has been seen in Bay St. Louis in a number of years. The Ford Company cooperated above expectation, stated Mr. Peranich, they sent us ten units, and the people to whom these cars and trucks were to be delivered were also very cooperative, and those who have had orders in for some time and who were not on the list to receive the cars on hand were glad to know that it would be only a short time until they too would receive their cars.

More than 500 hundred visitors were entertained throughout the day and evening. Many messages of good wishes and floral tributes were received.

The Ford Motor Company was represented by Mr. George P. Montague, District Manager at New Orleans, Mr. C. M. Weigand, Assistant District Manager, and Mr. Dennis Flynn, District Representative.

At her desk was Mrs. Jack Garriga, Bookkeeper for the firm, registering the visitors.

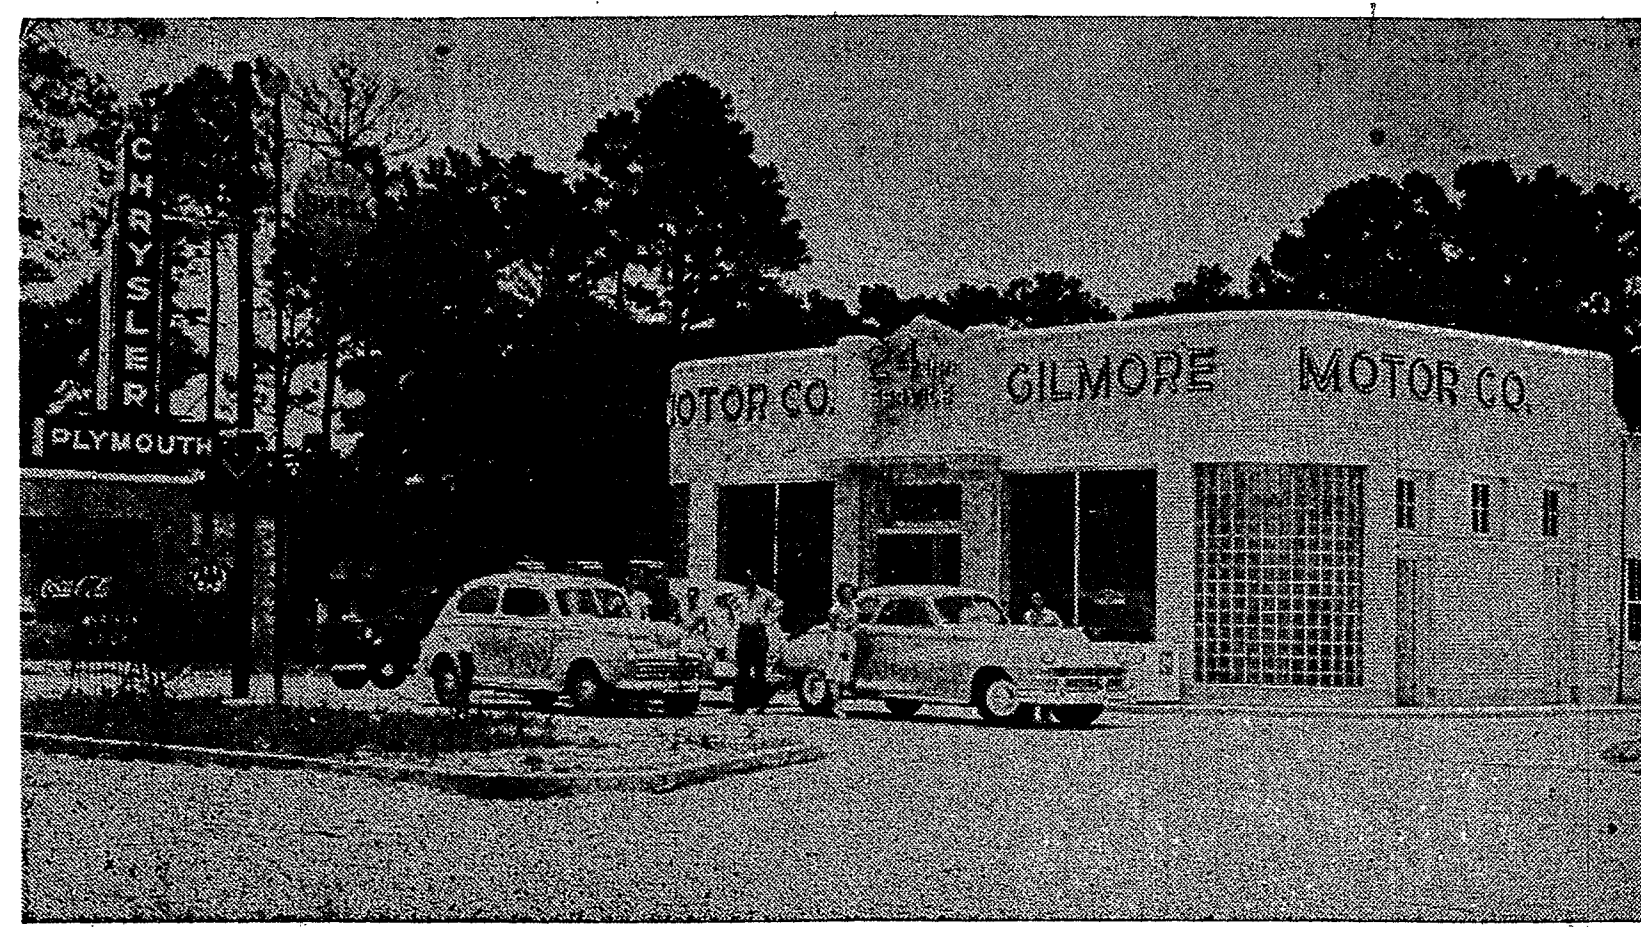

Roland Tallac, the Service Manager for the firm, together with Tom Karl, Parts Manager, assisted by the service men, who are Eddie Schwall, Eddie Ybes, Sam Pernicario, and John Pernicario, were on hand in their white suits answering the questions asked of them by the visitors and assisting Mr. Camors and Mr. Peranich in entertaining the guests.

Music for the occasion was furnished by George Preston and his band. George is a nephew of Mr. Peranich.

### Sound Movie Is Feature Of Law Enforcement Meeting

A sound motion picture, "The Pay Off," will be the feature of a citizen's Law Enforcement meeting to be held at the Bay High School next Tuesday evening (July 29th) at 8 p. m. Sponsored by the Hancock County Law Enforcement Association, the meeting will elect officers and a Steering Committee for another year. Invitations have been sent to the political candidates for County Supervisor, Sheriff, Constable and Justice of the Peace to speak briefly on their attitude toward law enforcement. "The Pay Off," is a 22 minute sound picture stressing the social consequences of the misuse of alcohol in auto accidents, broken homes and crime.

### New Home Of The Plymouth-Chrysler Agency

"Go West, Young Man," the advice offered to the young men of the Country, in an article written by John Babson Lane Soule, appearing in the Tree Haute, Indiana Express in 1851, and later by Horace Greeley in an editorial in the New York Tribune, did not appeal to M. A. Gilmore, our pleasant and affable Plymouth-Chrysler Dealer.

He was far west enough, at Las Cruces, New Mexico, where he was born and where he lived until he came to Bay St. Louis to become a permanent resident of Mississippi.

At Las Cruces, in his early manhood he was a cowboy and then for 12 years was agent and telegraph operator for the A. T. & S. F. Railroad. Leaving the railroad he was agent for the Continental Oil Company succeeding his father who had been with this company for twenty five years.

business.

In 1940 he was named Plymouth-Chrysler Dealer for Hancock County, and realizing the necessity for larger quarters he set about to enter into a lease contract with Emilio Cue for the construction of a building for his automobile agency, with quarters sufficient to care for his growing repair business and his service station.

The new home of the Gilmore Motor Company into which they moved on December 15th, is located at the corner of Dunbar Avenue and Highway 90 and the plant is open and operating 24 hours each day.

In addition to the Plymouth-Chrysler Agency Mr. Gilmore also has the agency for Geo Trucks and is Western Union Agent for Bay St. Louis.

Mr. and Mrs. Gilmore have two young sons, Garry and Jimmy, who are students at St. Stanislaus.

### Daughter Speaks for Father Who Is Candidate For Re-Election As Land Commissioner

One of the most appealing and interesting political speeches and probably the shortest that we have heard delivered in this campaign, was made on Friday morning by Miss Evelyn Magahey, in the interest of the candidacy of her father Walter L. Magahey, for the office of State Land Commissioner.

She asked that the voters of Hancock County help her to elect her Daddy as land Commissioner, that he had made a good land commissioner. That he had been appointed by Governor Bailey to fill an unexpired term and that he had worked in the land office for eight years prior to his appointment.

Mr. Magahey's opponent who had spoken first brought out the fact that his name would be first on the ticket, and Miss Magahey in answer, stated that her Daddy's name would be second on the list, but that she hoped that the voters of Hancock County would help her to make it first on the list on August 5th.

### Edward J. Heitzmann, 62, Dies Suddenly

Edward J. Heitzmann, Sr., died at 11:30 Friday morning, July 18 following a heart attack of a few days before. Though his condition was understood to be critical, it had been decided that he would be sent to New Orleans and preparation was being made for this move when the end came.

Mr. Heitzmann was 62 years of age, was the son of the late Mr. and Mrs. Jacob Heitzmann, former Bay St. Louis residents, was a native of Summit but had lived in Bay St. Louis for the past 45 years. He was an electrician by profession and everybody knew "Eddie" and called him to right their wrongs in lights, irons, water heaters and such.

His funeral was held on Saturday afternoon at 5 o'clock with the rites of the Catholic church at the Rev. Father Fox conducting the services at the Fahey Funeral Home and at Cedar Rest cemetery. His pallbearers were his five nephews Carl, Roger, Cedric, George and Albert Heitzmann, Jr., and his son-in-law, Bernard Younger of New Orleans.

The great masses of floral offerings were expressions of the esteem in which he was held.

Mr. Heitzmann leaves his wife the former Miss Lottie Jones and three daughters Mrs. Lottie Mae Younger, Mrs. Margie Perez both of New Orleans, Mrs. Louise Heitzmann, Bay St. Louis; two sons, Edward Heitzmann, Jr., and Theodore Heitzmann of Bay St. Louis and eight grandchildren. He also leaves five sisters Mrs. Margaret Carlson of Chicago, Mrs. Lillian Crawford, New Orleans, Mrs. Myrtle Morris, Gulfport; Mrs. Ruby Bass, Jackson, Mrs. Ruth Hill, Eldorado, Ark., and three brothers George and Albert Heitzmann of Bay St. Louis and Alvin Heitzmann of Baker's Field, California. He also leaves a large number of nieces and nephews.

### Senator Jesse M. Byrd Candidate For Governor Will Speak In Bay St. Louis on August 2nd.

State Senator Jesse M. Byrd, Candidate for Governor will address the voters of Hancock County, on Saturday afternoon, August 2nd, at 4:00 P. M. at the courthouse in the City of Bay St. Louis.

All Beat, County and District Candidates will be offered an opportunity to make announcements.

### KNIGHTS OF COLUMBUS TO HOLD INITIATION

Exemplification of the first three degrees of the Knights of Columbus will be held at the Knights of Columbus Home, Main Street, on the first Sunday in September. This was definitely decided at their regular meeting Monday night. Application blanks can be secured from Wilmer Thibau, Grand Knight of Wallace Bontemps, Financial Secretary.

A very appropriate address on a subject of his own choosing was delivered by Robert L. Camors, Past Grand Knight. He was highly commended by all members for the manner in which he presented same as

The Hancock County Democratic Executive Committee met on Tuesday morning, July 22nd, 1947 for the purpose of declaring nominees, appointing managers and other officials of elections, and to take up such matters as were necessary under the law.

The committee met in the courtroom of the Hancock County Courthouse with Leo W. Seal, Chairman of the Committee, presiding. In addition to Mr. Seal, the committee is composed of Lamar Otis, as Secretary, C. W. Fountain, Ed. Walker, Isaac Frierson, Sam Dill, Forest Wheat, Donas E. Martin, Christof Martin, Calvin Shaw, George Cuet, Albert Necaise, Lester Seal, H. T. Carr, and W. J. Gex, Jr. There were two vacancies caused by the resignation of Sam Whitfield and the death of Sylvaneus Moran, and these were filled by the election of H. T. Carr and Ed. Walker.

Candidates without opposition who were declared the nominees were D. C. Smith, Justice of the Peace, Beat 2, Eli Alsbrook, Constable, Beat 2, Frutus Fuente, Justice of the Peace Beat 4 and J. T. McCaleb, Coroner and Ranger.

The committee had before it the question of the right of Roy Koenen a candidate for Board of Supervisors in Beat 3, who according to the election commissioners, following an opinion from the Attorney General was not a qualified elector in Beat Three, but was qualified to vote in Beat Four, to be a candidate, and prior to a decision being voted upon by the committee, Mr. Koenen withdrew.

The Committee disqualified John Ladner who had qualified with the Secretary of the Committee for Constable, Beat 3, and who had failed to file his affidavit under the corrupt practice act with the Circuit Clerk.

The following is a list of managers selected for the election:

Beat No. 1, Ansley—Milton Stoufflet, Ed Ladner, Mrs. Mary Ladner, Frederick Buffa, P. & R. O.

Beat No. 2, Aaron Academy—Thomas (Billy) Thigpen, Henry Keller, Monroe Freirson, D. H. Frierson, P. & R. O.

The U. S. France and Britain are throwing strike as Russia. They are ready to sign a 3 cornered 40 year agreement if the Soviets refuse to cooperate.

The Communists are pushing a Greek Revolution with Guerilla forces.

The Soviets will have an opportunity to take part in the Japanese peace treaty, but the veto power will be ruled out.

The U. S. is proposing that a peace treaty be put in effect with Japan. The plan calls for cooperation of 11 nations, with no veto by any one of the Big 4 being worth anything. In the new set up a two thirds majority will be necessary for the passage or veto of any controversial issue.

Civil war is raging in Greece. First reports were that Albanian troops had attacked the Greeks, but later reports showed that the attackers were Greek Guerillas dominated by the Communists. In their first pitched battle the Guerilla Forces were badly beaten and retreated into the mountains to set up their opposition government. The Guerillas lost about 800 men in the battle.

In Burma the 9 man government was practically wiped out last Saturday by a burst of machine gun fire from rebels. On Monday 20 men were arrested at the home of a former premier after a violent gun battle.

The Dutch are fighting a "Colonial" war with the Indonesian Republic which consists of Java and Sumatra. The Dutch have stormed ashore with the Marines, many of whom were United States trained. The fight originated over disagreements as to the future government of the East Indies. The Indies are one of the richest spots in the world with oil, rubber, tin and spices.

Both the House and Senate have passed Army-Navy merger bill. The President is expected to sign any day. Navy Secretary James Forrestal is the man being mentioned as most likely for the job of Secretary of National Security.

European Jews are still trying to get past the British and into Palestine. Last Friday, a ship with 454 Jewish refugees aboard was intercepted by British Destroyer 17 miles from the Palestine Coast and a pitched battle ensued. One Jew was killed and 125 injured is the score at present.

The Senate passed and sent to the President for his signature a bill authorizing vets to cash terminal leave bonds.

The Senate also passed and sent to the House a bill that will increase school aid to vets by from 10 to 30 dollars, according to dependency.

The temperature is playing tricks. Last week the heat broke several records of 50 years standing. This week Mother Nature apologizes by reversing herself and breaking a

## On Summer Training Cruise

Midshipman Roger M. Boh, Jr., son of Mr. and Mrs. R. M. Boh, of 618 North Beach Blvd., Bay St. Louis, Miss., of the U. S. Naval Academy, Annapolis, Md., is participating in an extended summer training cruise to Europe aboard the aircraft carrier USS Radolph.

The cruise first to be made to Europe by midshipmen since 1937, began June 23 at Rosyth, Scotland, and includes Copenhagen, Denmark; Oslo, Norway; Goteberg, Sweden, and the English ports of London, Portsmouth, Weymouth, Plymouth, Greenwich and Woolwich, as port of call. In addition to the 2,100 midshipmen, there are aboard 200 members of the Naval Reserve Officers Training Corps from various colleges and universities.

Besides the Randolph, midshipman training is taking place aboard the battleships USS Wisconsin and New Jersey, the aircraft carrier USS Kearsarge and the destroyers USS Cone, Stribling, Meredith, O'Hare, Hugh Purvis, and Beatty.

The Mississippi petroleum tax reached a new high for a 30 day period when the July 20 computation was made. \$1,844,618 was collected—some \$28,000 above the previous high.

## Toxie Hall Addresses Voters In Interest Of Candidacy Of Fielding Wright

Honorable Toxie Hall, former United States District Attorney for the Southern District of Mississippi, spoke to the voters of Hancock County, at the courthouse in the City of Bay St. Louis, on last Friday morning, in the interest of the candidacy of Governor Fielding L. Wright, for a full four year term as Governor of Mississippi.

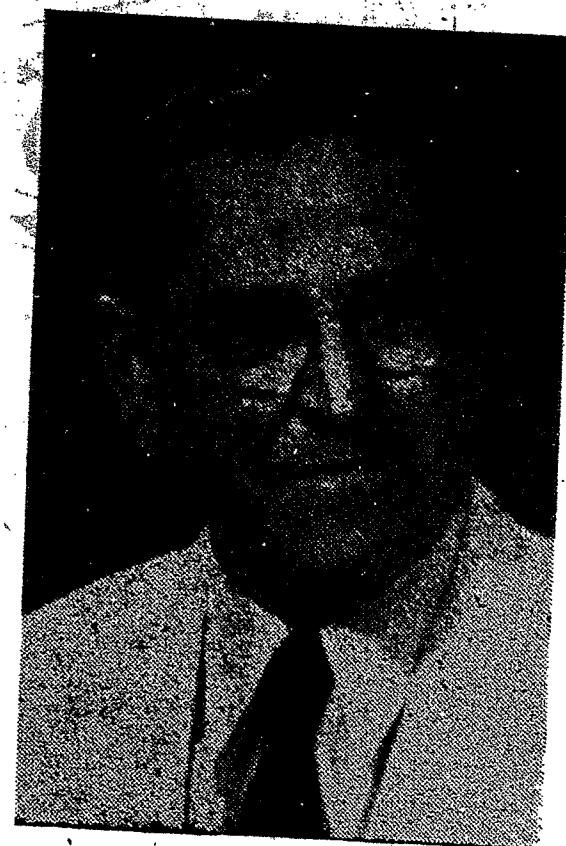

Governor Wright was scheduled to be here, however, he was called to Washington at that time to testify against the enactment of the Fair Employment Practice Act, and was absent from the State for several days and Mr. Hall volunteered to fill his itinerary.

A forceful speaker, he brought forth very clearly Governor Wright's platform. He answered the charges that have been made against the Governor in this campaign relative to his stand on the question of Homestead exemptions. Reading from the house journal that the law granting \$5000.00 homestead exemption was introduced in the Legislature by three men and that Governor Wright was one of these men. That he was a member of a committee that had been named to make a study of the homestead exemption law, and that law itself was the effort of this committee. That the Governor had taken a firm stand to allow no amendments to be made to the bill and that his two colleagues had offered and that he fought and voted against all amendments that had been offered. He stated that it was true that the Governor had voted against a bill that was offered for a smaller homestead exemption, after a resolution had already been adopted by the Legislature authorizing a study to be made and that Governor Wright had agreed that when the study was completed that he would call a special session of the Legislature. This he did, and the report of the committee of which Governor Wright was a member was received and the bill as set out above became law at the special session of the Legislature.

He stated that the Governor was a friend of and was particularly interested in the welfare of the teachers of the state, staking his political future in calling a special session of the Legislature, immediately preceding an election in order to pass the necessary legislation to increase their pay.

The Business of Mississippi is the biggest in the State, said Mr. Hall, and an experienced man is needed at the helm of State to operate this business, and Fielding Wright has that experience, by virtue of his service in the Legislature, the Senate, as Speaker of the House and as Lieutenant Governor.

Other State and District Candidates to make announcements either in person or by a representative were for State Land Commissioner, C. E. Dorroh, and Walter L. McGahey who

## Who Will Benefit From An "Honest Business Administration" -Not The Individual I Assure You -

The question has been asked me why am I a candidate for the Board of Supervisors that the office did not pay a living wage and inasmuch as I have a good business I did not need a job. ("True enough I do not need a job.") My answer to the above Question was: Why did I enlist in the Army in 1917 when World War I was declared it was not a paying job also—But my friends there is something in every good happiness is at stake what does a paying job mean.

World War I and II have been fought and won—Why? They say to make this country a better place to live in. So again I am enlisting to serve you as a member of the Board of Supervisors for Beat 5.

Again please let me make this very clear. I am backed by no Political organization or Individual. I am an Independent Candidate also I have never been connected with any kind of Racket, Slot machine or otherwise and do not intend to. I do believe and I believe that you will agree with me that a man holding Public Office should be free of any kind of Rackets.

## ATTENTION TAXPAYERS AND VOTERS OF WAVELAND!

I just want to remind you of something that happened last year—

When your Mayor and other Town Officials were in the process of black-topping your streets they were in need of a piece of road machinery—a piece of machinery that they needed to do this job is owned by the county. But my Friends do you know that the Hon. Board of Supervisors refused to let the Town of Waveland use this piece of machinery. Your Mayor had to go out of the State and rent a machine. This cost you taxpayers several hundred dollars more.

Your town officials are made up of five honest Gentlemen. They are doing a wonderful job. Fair assessment, free bathing pier, black top streets and running on a cash basis—and other improvements that are soon to come—such as Gas and Water Works.

With an honest administration working for the taxpayers benefit, pray tell me why the Hon. Board of Supervisors are fighting them.

This like many other incidents you surely can not forget. So on August 5th do not lose a vote—

Vote on August 5, 1947 for—

## Fellow Officers Of The Town Of Waveland Endorse Candidacy Of R. G. (Manny) Hubbard, Jr. For Board Of Supervisors Beat 5.

Waveland, Mississippi  
July 2, 1947

We, the undersigned members of the Board of Mayor and Aldermen of the Town of Waveland, have had the privilege of working with our fellow Alderman, R. G. (Manny) Hubbard, as a member of the Board of Mayor and Aldermen, and have, with his cooperation, been able to give what we believe a good municipal administration of city government to the Town of Waveland.

R. G. (Manny) Hubbard has on every occasion cooperated to the fullest in every move for the betterment of the Town of Waveland. We know him to be a man of the highest character, whose honesty and integrity are beyond question, and it affords us great pleasure to give this, our endorsement to his candidacy for a member of the Board of Supervisors for Beat 5.

Past experience has shown us that he is for the betterment of the community yet conservative, in spending public funds. He will not stand for any extravagant expenditure of public money but will see that for every dollar of the taxpayers' money the County will receive full value.

We unhesitatingly therefore endorse his candidacy for Supervisor of Beat 5, Hancock County, Mississippi.

PUBLIC SERVICE COMMISSIONER.

To the Voters of Hancock County:

This is to thank you for your effective support given me in the last campaign. I have tried to conduct myself personally and officially so that you would never have reason for being sorry for what you did for me.

I am asking for re-election as your Public Service Commissioner, and I hope that you can see your way clear to give me your support again, and, if elected, I will continue to conduct myself and the affairs of the office so that you will have no reason to regret voting for and supporting me, for which I thank you.

I am sincerely yours,

**Try-Out Camp For Young  
Ball Players To Be Held  
At Laurel, Aug. 7, 8, 9.**

Laurel, Miss.—The World's Champion St. Louis Cardinals will dispatch three of their ace scouts to Laurel to conduct a try-out camp for aspiring young ball players at Fairgrounds Park, Thursday, Friday and Saturday, August 7-8-9.

Many baseball-minded youths harbor the secret ambition to become professional baseball players, but don't know how to go about it. Of course, they must have the necessary qualifications, and the first thing for boys to do who have these qualifications is to attend a baseball try-out camp where they will have the opportunity to demonstrate their abilities before experienced baseball men associated with major league baseball clubs.

The St. Louis Cardinals organization will hold over 50 such camps this summer, with an anticipated attendance of nearly 5,000 boys. Of this vast number, if past records are parallel, 75% of the players signed will be successful in professional baseball. An opportunity to enter the ranks of professional baseball will be offered qualified players attending the Laurel camp.

Try-outs will begin at 10 o'clock each morning and continue throughout the day. W. H. "Buddy" Lewis, Fred Hawn and George Ferrell, veteran Red Bird scouts, will be in charge of the camp and put the players through their paces in this three-day event.

**MISSISSIPPI STATE HIGHWAY  
DEPARTMENT  
NOTICE TO CONTRACTORS**

Sealed bids will be received by the State Highway Commission, at Jackson, Mississippi, until 10:00 o'clock A. M., Tuesday, July 29, 1947, and shortly thereafter publicly opened for.

Construction of Grading, Drainage Structures and Bridges on 232 Miles of the County Highway between Kiln and Delisle in Hancock County known as Federal Aid Secondary Project No. S-102 (1).

BASIS OF AWARD: The award, if made, will be made to the lowest qualified bidder on the basis of the published quantities.

In the event contract unit prices indicate a total cost as planned in the excess of the allotment to the project, the length of the project will be shortened to keep the cost of the work within the funds available.

Contract Time 150 Working Days. The attention of bidders is directed to the Special Provisions governing selection and employment of labor.

The minimum wage paid to labor employed on this contract per hour shall be: Skilled Labor, 75 cents; Unskilled Labor, 40 cents; and Intermediate Grades, 50 cents.

Plans and specifications are on file in this office. Proposals may be secured upon payment of \$5.00 which will not be refunded.

Certified checks or bid bond for five per cent (5%) of bid, payable to STATE OF MISSISSIPPI, must accompany each proposal.

Bidders are hereby notified that and proposal accompanied by letters qualifying in any manner the condition under which the proposal is tendered will be considered an irregular bid, and such proposals will not be considered in making the award.

# FIELDING WRIGHT

## Offers a Progressive Platform

Here are some of the measures Fielding Wright advocates in his platform for the next four years:

### AGRICULTURE

"Mississippi is primarily an agricultural state. In order that the agricultural program in our state may continue to progress, I will promote a far-reaching farm program, some features of which are:

"Completion of the Central Farmers Market, continuance of the statewide marketing program, construction of branch markets at various places in the state where needed.

"Adequate support of research work through the experiment stations so as to improve every phase of Mississippi agriculture.

"Adequate support for operation of a modern state fair.

"Continued support of district and county livestock shows and fairs."

### ASSISTANCE FOR OLD PEOPLE

"I am in favor of giving to the needy citizens of this state—the aged, the blind, and children—whatever amount is necessary to furnish them with the necessities of life.

"There are several thousand making application for old age assistance that cannot be taken care of because of lack of funds. I shall favor increasing the appropriation to such an extent that these may also be put on the roll and receive a monthly check. I favor the same procedure for families with dependent children.

"To put the matter plainly, I favor giving the needy aged of our state the maximum amounts the federal government will cooperate in giving to these worthy citizens."

### PROHIBITION

"At the Special Session called by me in March of this year, I recommended the repeal of the Black Market Tax. My position on this remains the same and the new Legislature to be elected by the people will have an opportunity at the session convening in January to pass on this important question, but we must face the stern fact that a change in the general attitude of our people to law enforcement is vitally needed, especially as pertains to the sale and consumption of liquor.

"It is my conviction that a majority of the people of our state want the prohibition laws retained and enforced. I will not recommend the repeal of our liquor laws and I will oppose any effort to repeal or weaken them. On the other hand, with your help and the help of the Legislature, we will retain, strengthen and enforce the prohibition laws we now have."

### TAXATION

"I am for the sound financial operation of our state, our counties, and our municipalities. We cannot prosper and go forward if local and state governments are bankrupt. However, I am opposed to raising a single dollar by taxation that is not actually needed to keep our local and state governments on a sound financial basis.

"Because we must pay for the most expensive war in history, we can expect but little tax relief in the next ten years from the federal government.

"It is therefore highly important that we hold our state, county and municipal taxes to a minimum—that we make new distribution of income where feasible—in an effort

Fielding Wright is basing his campaign on his 16 YEARS OF PUBLIC SERVICE, and his PROGRESSIVE PROGRAM FOR THE NEXT FOUR YEARS.

He says:

"I feel that I have had some small part in the progress of the state of Mississippi through the past 20 years, and I want to be your Governor for the next four years for the good I can do and the services I can render all the people of our great state.

"I believe I can conduct the governor's office and lead in state affairs during these critical times for all governments in a manner acceptable to the great majority of our people. I solemnly pledge my entire energies and whatever abilities I may possess to that great and noble end."

—FIELDING WRIGHT

to keep our local governments sound and alert to local needs without increasing our present tax burdens.

"I dedicate my best efforts to this end and feel confident that your next legislature in cooperation with your governor can find an acceptable answer to this problem."

### EXEMPT FEEDS

"I will recommend at the next session of the legislature that legislation be passed to exempt feeds from the State Sales Tax, just as fertilizer and seeds already are exempt. This legislation, if enacted, will reduce for the farmers the cost of raising livestock and poultry."

### HIGHWAYS

"I shall continue to work to have Mississippi covered with a network of farm-to-market roads so that every farmer may enjoy the benefits of a hard-surfaced link between his farm and bigger and better markets. We must have adequate roads for our farmers to move their crops efficiently and economically."

### PUBLIC HEALTH

"I recognize that a happy and prosperous citizenship must be a healthy citizenship. I am proud of the advancement made in the field of public health under our State Health Department. As Governor, I shall lend full co-operation to this department and its leadership in recommending to the next legislature a program that will maintain us as a model state in public health work."

### NATURAL RESOURCES

"We must use our natural resources to increase the prosperity of the state and increase the income of every Mississippian. We must have safe and sane conservation practices to these resources so that maximum returns may be realized by our state and all its people. This applies particularly to our soil, timber and the great oil resources within our state."

FIELDING WRIGHT  
PRESENT

GOVERNOR OF MISSISSIPPI

—is 52 years old—in the full vigor of life—an overseas veteran of World War One—father of two children—has the experience of 16 years of public service—as a Member of the Mississippi State Senate during the Bilbo Administration—as a Member of the House of Representatives during the Conner Administration—Speaker of the House during the White Administration—as Lieutenant Governor and presiding officer of the State Senate during the Bailey Administration—as Governor since November 2, 1946.

### EDUCATION

"I called a special session of the legislature in March because I realized the critical condition facing the schools in our state. I recommended an appropriation of \$5,000,000 to supplement teachers' salaries, and also additional appropriations for the Junior Colleges and School for the Deaf and School for the Blind. We must continue our interest in an expanded educational program and provide our children with properly trained teachers who are adequately paid for their services."

### VETERANS

"Our veterans are entitled to every assistance within our ability, as individuals and as a state to render. As your governor, you can be sure the veterans have an understanding friend in the governor's office—a friend who knows what it means to fight a war as a buck private and then try to get re-established in civilian undertakings."

### OUTSIDE INTERFERENCE

"At the special session of the Legislature which I called early this year, one of the main matters submitted for consideration was the preservation in Mississippi of the integrity of the Democratic Party. This is a most important matter to every person in Mississippi. Much was accomplished at the Special Session and I think good legislation was enacted that will be sufficient to accomplish our purpose at this time.

"But with the unrelenting agitation from outside sources, our task is not complete. I pledge my wholehearted support and best efforts to always see that we conduct our Democratic Primaries in such a manner as to preserve the heritage and traditions of the Southern Democrats so adequately protected by our forefathers."

### AIR POWER IS PEACE POWER

Air power has changed geography. It has erased the protective barriers of the past—the oceans and the icy regions, around the poles, it was stated today by Captain Ralph C. Williams, Commanding Officer of the Gulfport Recruiting Station, in an interview, concerning the Air Forces celebration of Air Force Day on August 1st, 1947.

Almost every major city in the world is within round-trip flying—and striking distance of bombers based below the Arctic Circle, Captain Williams said. And to show

how man has learned to use the sky, above the ice caps, your own Army Air Forces have made a regular daily flight over the North Pole since early summer to gather wind and weather data.

Just as the concepts of geography have changed, so have the assignments of your Army Air Forces. To shoulder their new responsibilities, the Air Forces have been completely reorganized since V-J Day into eight separate commands, each charged with specific responsibilities for making the United States strong in the air.

The Air Defense Command provides the defense of our own skies.

equipped and trained to strike anywhere in the world. The Tactical Air Command is designed to provide the air co-operation essential to success in land and sea operations.

The Air Command has been retained to deliver war material and personnel to any fighting front on earth. The Air Training Command and the Air University have the job of training and educating every member of the Air Forces.

The Air Materiel Command and the Air Proving Ground Command are responsible for keeping the country out in front in the development of new airplanes, guided missiles, weapons, equipment and supplies.

To these fine components of the Army Air Forces the public will turn its thoughts on Air Force Day, August 1st. Air Power is of vital importance to every individual who has a stake in the United States of America. Take the opportunity on Air Force Day to get to know your Air Forces better. Visit Air Force Day exhibits August 1st.

## A STIMULATING CHALLENGE—FROM THE LAND!

You're young . . . you're looking for a life that can take all you've got to give it, that will return to you emotional and financial dividends and will better the lot of your fellow man . . . Perhaps you've lived on a farm, perhaps you haven't . . . You don't mind hard work if you get something for it . . . The modern farmer is a scientist—an 'experimenter'—working among the grass roots of life, finding out what makes it tick . . . The modern farmer is a provider, buying with the sweat of his brow the welfare of his family and the world . . . The modern farmer experiences the important joys of living, the joy of discovery, the joy of an essential job well done.

ORTTE THEATER  
SUNDAY - MONDAY  
PRESENTS  
"THE YEARLING"

Starring Gregory Peck, Jane Wyman, Claude Jarman, Jr.  
As Jody

Bringing to the screen an undisputed new star in the person of ten-year old Claude Jarman, Jr., MGM's filmization of Marjorie Kinnan Rawlings' Pulitzer Prize-winning novel, "The Yearling," comes to the Ortte Theatre to provide filmgoers with an unforgettable motion picture experience.

With Gregory Peck and Jane Wyman cast as Penny and Ma Baxter and young Jarman as the lovable Jody, the film faithfully transcribes in Technicolor motion picture terms the story of this courageous, hard-working family who encounter both happiness and tragedy, in their struggle to eke out a living from their small plot in Florida's dense scrub country.

All the high points of the Rawlings novel are here—the hunt for the marauding bear, Slewfoot, the pulsating episode in which Penny is bitten by a deadly rattlesnake, the free-for-all village brawl of the roistering Forrester, Jody's adoption of his little fawn, the tragic results which ensue when the gambling deer eats the young corn shoots and tramples down the tobacco crop, rising in the climax of an embittered Jody running away from home only to return later to take his place as a man in the Baxter household.

Gregory Peck and Jane Wyman are perfectly cast as Penny and Ma Baxter; Claude Jarman, Jr., has terrific appeal as Jody, and other fine portrayals are contributed by Henry Travers as the genial storekeeper, Joan Wells as the little minx, Eulalie Boyles, Jeff York as the seagoing Oliver, June Lickart as his girl, Twink, and B. M. "Chick" York as Doc Wilson.

Silage permits saving crops which might be lost when weather does not permit satisfactory curing and drying, according to the Extension Service of State College.

There were 94 visitors from the Mississippi Coast and from Louisiana. Mesdames Edna Singer, Mary Russell, Adele Gunn, Mr. Leo Kerby and Mr. Bert Gunn, Sr., all matrons and patrons of 1946 were introduced and each presented with a souvenir. The selection, "Was That Somebody You?" was sung by Rev. J. P. Bonneaire and dedicated to the 1947 Patrons and matrons. Mrs. Carrie McCann presented the worthy matron of the local chapter with a gift as an expression of her pleasure in presiding at the meeting and Miss Sick responded. The Worthy Matron and worthy patron were each presented a gift by the associate matron Miss Hilda Sick.

The renewing of the obligations was led by George Schilling worthy patron of Bay Chapter. Inspiring talks on obligations and their significance were made by Mrs. Josie

Public Service Commissioner

SOUTHERN DISTRICT OF MISSISSIPPI

Young, Energetic, Experienced, and thoroughly familiar with the duties of this office to be performed.

Pledges the people on every matter coming before the Commission a fair and impartial consideration, a more energetic effort in the settlement of those affecting the Public interest and welfare, for instance, the present "Bus" Strike, the recent Telephone Strike and in doing so, with the view of administering justly to both Employer and Employees.

Why not give a young man a chance, and not perpetuate one man in office especially after years of usefulness.

Your vote and influence will be appreciated. Your confidence never betrayed.

## QUESTIONS &amp; ANSWERS

Q. I am a veteran of World War II taking a school course that requires three hours per week. Am I entitled to receive subsistence allowance under the G. I. Bill?

A. If you are taking an undergraduate course at a college or university, you are eligible for one-quarter of the full subsistence allowance, but if it is a high school

or vocational school course of less than 6 hours per week, you are not eligible for any subsistence allowance.

Q. I am a veteran-amputee. Am I entitled to a service card and what is the limit on repair service costs allowed?

A. Yes if you are a veteran wearing an artificial limb, you are entitled to repairs at government expense and may obtain a Prosthetic Service Card. This card enables the veteran to get immediate repair service up to \$35 without prior approval from the Veterans Administration.

Q. I am a disabled veteran and have completed my on-the-job training course, but have not been able to get a job. Am I entitled to re-

ceive unemployment compensation under the G. I. Bill?

A. Yes. The Serviceman's Readjustment Act (G. I. Bill) provides that you can draw adjusted unemployment compensation up to a maximum of 52 weeks, provided that you are able and available for work at the time. The number of weeks of readjustment allowance payable to you is determined by the length of your service. The service must have been 90 days or more between Sept. 16, 1940 and the end of World War II.

Q. As a World War veteran with a nonservice-connected disability, which does not permit me to work regularly, am I entitled to a pension?

A. Your only pension relief is through the law which gives you the right to a pension of \$60 per month, provided you are permanently and totally disabled and unable to follow a substantial gainful occupation. This pension is not payable if your income exceeds \$1,000 if single, or \$2,500 of married or with minor children.

The Veterans Administration is seeking pharmacists for employment in Texas, Louisiana and Mississippi, VA announced this week.

Salaries for the positions range from \$2,644 to \$4,149 per year. Application forms and further information may be obtained from the

From where I sit... by Joe Marsh

Here's to  
the Women-Folk!

There's a line at the heading of the Woman's Column in my paper that reads:

"Women through the years have stood keepers of the flame . . . Pretty easy to see what it means; whether it's the flame on the hearth, or the candle in the window, or the feeling of warmth that surrounds a home."

It's the women who are guardians of the things we cherish about homelife—who are tolerant of ashes on the rug; the rings a glass of beer can leave on tables; or the

comfortable but too-worn chair that we can't bear to throw away.

From where I sit, those little satisfactions become more and more important in this world of strife and change. Smoke rings curling from a mellow pipe; a glass of beer; a comfortable chair before the fire. And I'd like to salute the housewives—"keepers of the flame"—whose tolerance and understanding helps preserve them!

ORTIE THEATER  
WED. - THURSDAY  
"LITTLE MR. JIM"With "Butch Jenkins and  
James Craig

Tiny, freckle-face "Butch", Jen-  
kins once again proves himself a  
consummate master at pulling at  
your heart strings in the new M-G-M  
picture, "Little Mister Jim", cur-  
rent attraction at the Ortie Theater.  
This time the popular youngster  
is seen as Little Jim, son of an  
Army couple who live on an Okla-  
homa Army post in pre-war days. A  
typical, fun-loving and ingenious  
urchin, he is brought up by a Chi-  
nese houseman, Sui Jen who tries  
to teach him the precepts of courage  
and honor when he becomes involved  
in such childhood adventures as  
raffling off the privilege of being  
the first to see the new baby his  
mother is expecting—at no small  
profit to himself.

Tragedy touches his life, however,  
and his Captain father turns in  
and his Captain father turns in  
in despair to drink. The over-zealous  
ladies of the Army post band to-  
gether to provide Little Jim with a  
stepmother, and the boy's adamant  
refusal to accept their solicitations  
brings about an impasse between  
father and son. It is Sun Jen who,  
in his oriental wisdom, reaches the  
chasm of misunderstanding between  
the Captain and the little boy and  
all ends well when the father is sent  
to China as a military attaché and  
little Jim follows in his dad's foot-  
steps by enrolling in a military  
school.

The part of Little Jim is a meaty  
one for the talented "Butch" and  
he plays it in both serious and com-  
ic moments for all it is worth, James  
Craig and Frances Gifford are per-  
suasive as his Army parents, and  
the standout role of Sui Jen is  
played by Chingwah Lee with sym-  
pathy and understanding.  
Unidormly good supporting cast  
includes Luana Patten, Spring By-  
ington, Sharon McManus, Henry  
O'Neill and Laura La Plante, fa-  
mous screen star of the past who  
makes a welcome return.

# RESULTS OF SOFTBALL GAMES PLAYED ON SUNDAY, JULY 20TH.

## Magnolia State 6; Loiacano 5; Tourne 6; Rhodes Hauling 4.

A fair gathering of fans saw two more splendid and close games Sunday, July 20, 1947.

In the first game Loiacano's boys led by a score of 5 to 0 until the 6th inning when three walks, a single by Bragg and a Grand Slam Home run by Roger Favre scored 5 runs and made the score all tied.

In the seventh inning the Groceries boys were held scoreless while the Magnolia team scored the winning run with two outs as a result of a walk to Stechmann and a timely double by Buddy Phillips.

Sid Geoffrey was on the mound for Loiacano's with Billy Osbourn catching. Walter James Phillips twirled for the Supply boys with Stechmann catching.

In the second game Tourne's Auto Parts scored all of their 6 runs in the 1st inning as a result of three walks and four hits. Rhodes scored one run in the 2nd, two in the 5th and 1 in the 7th. The batteries were for Tourne's, L. Ladner and R. Benvenuti and for Rhodes, L. Bourgeois and H. Bourgeois.

Magnolia	0	0	0	0	5	1-6	5
Loiacano	2	0	3	0	0	0-5	7

Rhodes Hauling	0	1	0	0	2	1-5	7
Tourne	6	0	0	0	0	0-6	6

### Two Great Games Next Sunday

In the first game Rhodes and Magnolia State hook up while the second game will bring together the arch rivals of the league, Wilmer and Loiacano. Wilmer's boys won the championship last year with Loiacano a close runner-up. The pitching duel between Junior Favre and Sidney Geoffrey is always one worth while watching. Both pitchers will be on edge for this game.

### League Standing—

G.	P.	W	L	Per Cent
Wilmer's	2	2	0	1000
Tourne's	3	2	1	.666
Rhodes	2	1	1	.500

### Extends Thanks

#### to one of his Opponents

I am grateful to my opponent who through his editorial last week agrees with me that Beat 5 is deriving enormous benefits from the county.

I have brought to the attention of the public some of the accomplishments achieved during my administration, particularly all the labor and road work that is going on under my supervision.

On June 20th. in my editorial in the Sea Coast Echo I stated as follows, "In Beat 5 for the first time in many years the roads are in perfect condition, practically all have been graveled and ditched so as to MAKE BETTER DRAINAGE WE HAVE USED CONCRETE CULVERTS INSTEAD OF THE OLD TIME WOODEN BRIDGES, ON THE ROAD SIDE. This work has been going on steadily for the past 3 years and will continue until completed. It is my intention to make a strenuous effort in paying all the roads in this district. In that case the concrete crocks will furnish perfect approaches to the roads."

At another time I stated, "We were using large CONCRETE PIPES instead of the wooden bridges crossing the roads," and on several other occasions I have stated, "That various constructions and repairs were in progress in Beat 5 and we had increased our labor on a large scale."

Now comes one of my opponents who through the columns of the Sea Coast Echo on July 18 substantiates and verifies my above statements. (This opponent states as follows, "The Honorable Board has authorized the increase of Labor pay rolls. Since the first of the year it has increased to nearly \$7000 for labor in Beat 5. The Board also authorized the purchase of approximately \$7500 worth of concrete pipes in the past several months for Beat 5." I appreciate these kind remarks of this opponent, whereby he has verified my earlier statements to the public. Inasmuch as money has to be spent to construct and build the county's roadways, I can't think of any thing better than the creation of more local labor payrolls. It is far better to spread the County funds among the working people for their labor than to give it to a few individual politicians where no results are obtained. It is also better for Beat 5 to receive the benefits it so badly deserves. You can rest assured that as long as you keep me as your Supervisor I will strenuously endeavor to give you the results this Beat has failed to receive over a period of many years.

I also wish to state further that I am a believer in payrolls when the money is being properly spent and distributed unselfishly and economically as it was in the above case. It is needless to say that success and progress can only be accomplished by hard work and some expenditures.

So again I wish to thank my opponent for his kind remarks and to you the Tax Payers I earnestly solicit your support and vote in my coming election.

Sincerely,

ED. P. ORTTE

Candidate for Board of Supervisor, Beat 5.

# Diligent and Thrifty

The Chinese philosopher Hsuntzu born around 360 B. C. was an exponent of the habits of work and thrift as essential to human happiness and prosperity. He believed that man could overcome all earthly obstacles and achieve all his righteous objectives through persistent application.

"As long as we practice thriftiness and enrich the sources of our wealth," he said, "Heaven is powerless to make us poor." And "were we to neglect our resources while spending lavishly, could Heaven make us rich?"

The way of man, according to Hsuntzu, is to learn and to work -- Tedious, realistic work, leaving little time for wishful thinking, day dreams, or indolence. "Not all men have succeeded," he said, "because they never tried." Hsuntzu was so modern he even warned against overwork and recommended the conservation as well as the concentration of one's physical and spiritual energy.

Hsuntzu believed man could build character in the same manner that he added to his material fortunes. "If he will only learn to be good, practice it." "Everybody can be a superior man," he said, but don't let the material things possess you. Be their master."

Dip into any civilization -- ancient or modern -- and we find somewhere the voice of experience reminding us that we can only prosper, materially and spiritually, by being practical and by making improvements.

There never has been and never will be any good substitutes for work and thrift as stepping stones to success. And character, as Hsuntzu so well said it, is the product of relentless and persistent training. According to this philosopher, good character is acquired when a person becomes "respectful and calm in his attitude, sincere and faithful in his heart, and truthful and understanding in his love for his fellow man."

As in our own time, the ancient Chinese had profound respect for an industrious, frugal and upright citizen. The Chinese use the phrase 'Ch'in-Chien' to describe a hard-working and thrifty individual. Ch'in means "diligently," and Chien means "to be frugal and save," and these two words, when used to portray a person of good standing, are always joined. In fact hard work and real thrift are inseparable ideas -- neither can be spared in the success of the individual, both are essential to his security. It is just as true now as it was when Hsuntzu taught.

### W. J. Fleming Jr. Refutes False Rumors

Following the meeting of the Hancock County Democratic Executive Committee, certain parties started the rumors that I had failed to qualify as a candidate for the office of Representative for Hancock County, in that I did not file my affidavit under the Corrupt Practice Act with the Circuit Clerk.

Under the Corrupt Practice Act I had the right to qualify either with the Circuit Clerk or the Secretary of State, and I qualified with the Secretary of State, and in so doing it was not necessary for me to qualify with the Circuit Clerk.

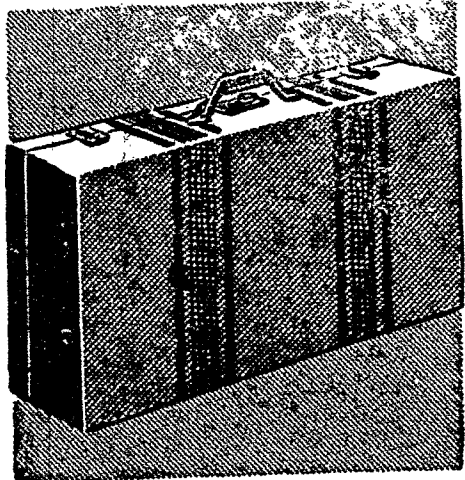

I wish to assure my friends that I am still a candidate for Representative, and I again solicit their vote for this important office.

Respectfully,

#### INTERESTING WEDDING

##### SUNDAY AFTERNOON

Miss Edna Black, daughter of Mr. and Mrs. William Black of London, England, and Anthony J. Piazza, Jr., son of Mr. and Mrs. A. J. Piazza of this city were married here on Sunday afternoon, July 21 at 3 o'clock at Our Lady of the Gulf Catholic Church, the Right Rev. Monsignor A. J. Canon Gemach officiating.

The bride was given in marriage by Mr. Sam Piazza, uncle of the bridegroom, and wore a wedding dress of white lace and white satin fashioned with a tight fitting bodice of lace with the drop shoulder, round neck, which was finished with a bertha of lace edged with a deep band of satin. The satin skirt was made with the bustle effect and fell in a long train. The finger tip veil of illusion was held to the head with a wreath of orange blossoms and she wore lace mits. She had as her maid of honor Miss Rosemary Piazza, sister of the bridegroom, and as bridesmaid Mrs. Louis Miller of New Orleans. The maids wore yellow net fashioned with plain net bodice over satin and the full skirts, finished with double ruffles as trimming for the skirts. The drop shoulder was finished with a bertha of net edged with a double ruffle of net. They wore bands of daisies in their hair and carried daisies.

Mr. Piazza had as his best man his cousin, William Johnson, of New Orleans and as his groomsmen Cyril Piazza of Bay St. Louis. The ushers were Louis Miller and Dominic di Benedetto.

Mrs. George Gault played the Bridal Chorus from Lohengrin for the processional and Mendelssohn's wedding march for the recessional. Mrs. Paul Laguens of New Orleans sang "Ave Maria" and "Panis Angelicus."

A reception at the home of Mr. Piazza's parents followed the ceremony where Mrs. Piazza was receiving with the bridal party in an Aqua chiffon afternoon dress and shoulder corsage of an orchid.

The house was decorated with tall containers holding white gladioli and fern and the brides table was covered with a cloth of white linen and lace made by the bride's mother. Surrounding the three tiered wedding cake were short stemmed gladioli blooms and fern and the three branch chandelier holding tall lighted white candles completed the table arrangement. Here the bride cut her cake while the young girls waited to find their future at the end of the ribbons they pulled. Miss Rosalee Benigno pulled the ring.

Mr. Piazza has been called back into service in the Army reserve and the couple left by plane out of New Orleans for San Antonio, Texas, where he will be stationed for fifteen days. For traveling the bride wore a blue gabardine suit, white hat and her accessories were white. Mr. Piazza is a graduate of St. Stanislaus and of Mississippi State College and served in the Army Air Corps doing overseas duty with the rank of Captain. He was honorably discharged and is an instructor of aviation at the Gulfport Field. The couple intend to make their in Bay St. Louis.

#### LITTLE THEATER PRESENTING PLAY

Curtain call for "Outward Bound." The Bay St. Louis Little Theater is presenting this Thursday, Friday and Saturday nights at eight-fifteen Sutton Vane's unusual drama which is known to theater goers on both sides of the Atlantic. Guest tickets may be obtained in advance at deMont-luzin's Drug Store or may be purchased at the door.

#### Kids Lose Softball Game

The Bay St. Louis boys lost their first softball game to Gulfport on Monday by a score of 16-6. The local lads will have a nice team as soon as they get more experience and they expect to meet Pass Christian and a return game with Gulfport.

Those starting the game were Noto, Miller, H. Mouffray, Peterson, Hill, Mouffray, Terry, Carter and Adams.

An analysis of the needs of members of the family is the first step toward good housekeeping and to a well-managed home.

#### CARD OF THANKS

I wish to express my sincere thanks to relatives and friends for the kindness shown me at the death of my beloved son, Charles. Many thanks for the beautiful floral offerings. They were greatly appreciated.

Special thanks to Father Bryan and Mrs. E. F. Fahey and Mr. Alvin Weinberg.

MRS. CHRISTINA DEMORAN.
